Important Information Regarding Assessment and Classification of Property
This may affect your 2025 property tax payments.

Notice is hereby given that the Board of Appeal and Equalization for the City of Columbus shall meet on April 30, 2024, 6:00 p.m., at Columbus City Hall. The purpose of this meeting is to determine whether taxable property in the jurisdiction has been properly valued and classified by the assessor, and to determine whether corrections need to be made for the 2025 payable tax year. The meeting will be conducted in an Interactive Technology Format and held (in person) at the Columbus City Hall located at 16319 Kettle River Blvd., Minnesota. Members of the public interested in attending in person or monitoring the meetings should contact the City Offices at 651.464.3120 or visit the City Website for more information at ColumbusMN.us.

If you believe the value or classification of your property is incorrect, please contact your assessor's office to discuss your concerns. If you are still not satisfied with the valuation or classification after discussing it with your assessor, you may appear before the local board of appeal and equalization. The board shall review the valuation, classification, or both if necessary, and shall correct it as needed. Generally, an appearance before your local board of appeal and equalization is required by law before an appeal can be taken to the county board of appeal and equalization.

Given under my hand this 12th day of April, 2024.
